

SUBMISSIONS 2019 – Fifth edition

The international film festival for children and teens MI PRIMER FESTIVAL, is excited to announce its call for entries for its fifth edition from the 11th to the 17th February of 2019 that will take place at different cultural places in Lima and other cities around Peru.

MI PRIMER FESTIVAL aims to create an exhibition space for films and audiovisual content from national or international origins, target to children and young people. This Festival also is seeking to promote audiovisual creativity from an education process, teaching people rich in originality, flexibility, vision, initiative, and confidence.

The festival provides Peruvian children and young people an opportunity to understand different cultures from all over the world, and helps international children's film professionals exchange experiences and ideas.

CATEGORIES

This year the festival will feature the following categories:

- Feature films in 2 categories: Fiction and Animation
- Short films in 3 categories: Animation, Fiction and Documentary.
- Series: TV and web series designed for children and/or teenagers.
- Mobile Apps developed for children (ebooks, games, educational apps, etc)
- “Young Directors”: films made by children and/or teenagers.

BASES

1. Any natural or legal persons can apply, individually or collectively, of any nationality and any age but the “Young Directors” category.
2. Audiovisual works may be entered in the following formats: Blu-Ray, HD DVD or video files (MVK, MP4, MOV), codec H.264
3. The year of production of the films must be of 2016 onwards and be aimed at children and / or teenagers.
4. Audiovisual works must be submitted in Spanish language or in original language and subtitled in Spanish.
5. Each participant may submit more than an audiovisual work, but is a prerequisite to

fill out a registration for each work.

6. Only the owner of the copyright or legal authors can register a movie. The participant assumes responsibility for the accuracy of this fact.

7. In the case of audiovisual works submitted by minors, the head of the child will be responsible for complete and sign the registration form.

8. When registering the participant authorizes the film to be display up to free in the festival contexts and disclaims any economic compensation for this item. Once the films had been duly registered and selected they may not be withdrawn from the festival program.

9. The Festival can use the 15% of the film to commercial purposes selected in any printed, electronic or audiovisual publications films.

10. The selected films that had been properly registered could not be retired from the festival's schedule.

AWARDS

The award of the fifth edition will be:
